The Executive Council discussed on the project proposals received from the District Level Committees (DLCs), especially those which need further clarification and alteration. The Executive Council approved all proposals in principle and instructed MSAPS officials to seek clarification and alteration of projects for which matching grant is not allowed (List enclosed in Annexure II). It is further seen that Cuttack district has got 20 nos of schools where project proposals need to be mentioned as against the contribution received. The Principal Secretary, S & ME department & Chairperson, EC directed the officials of MSAPS to ensure submission of project proposals from these 20 schools (Annexure II).

The Executive Council also discussed on the project proposals received from Sundargarh and Koraput districts to be implemented out of funds received at the district level under Mo School Abhiyan. It was decided that MSAPS will release the matching grant directly to the schools of the above two districts subject to the condition that the district level funds are disbursed to the concerned schools first. It is further decided that only Government and Government fully aided schools will be covered under Mo School Abhiyan. Block Grant Schools will not be covered under this programme.

The MSAPS officials reported that the project proposals submitted by Nabarangapur district have 126 schools with uniform contribution of 1 lakh each. The members of the EC suggested that the MSAPS to review proposals for each school and seek clarification on the contribution details. It is further reiterated that matching grant from Mo School Abhiyan will not be sanctioned if any school has received the contribution amount from any other Government scheme.

4. The MSAPS officials informed the Executive Council on receipt of donation amount of Rs. 35 lakhs from Dhabaleswar Charitable Trust, Cuttack for Dhabaleswar Govt Upgraded High School, Titlagarh. The members of the EC advised that the DLC, Bolangir has to develop and submit the detailed project proposal with plan & estimate in consultation with SSA technical staffs at an early date for final approval of the project by the EC. The EC decided that the funds received by MSAPS from Dhabaleswar Charitable Trust, Cuttack should be deposited in the school account at the earliest.
5. The OSD, Mo School informed that the Alumni Association of Capital Girl's High School, Bhubaneswar has submitted a letter of intent to institutionalize a scholarship for students of the school out of interest accrued from a fixed deposit of Rs 5 lakhs to be donated by Dr Archita Patnaik, Professor of IIT, Chennai . The Association has requested for permission from MSAPS for undertaking this activity and to name the Scholarship as "Prof (Dr) Archita Patnaik Scholarship". While approving the proposal for allowing the school to undertake this activity without Mo School matching grant, the EC decided that the Alumni Association has to work out with the School authorities on the modalities for selection of scholarship and creating a separate account for this donation amount which will be jointly operated by the Head Teacher and Alumni Association.

To reiterate, it is unanimously decided that the project proposals received from the 18 districts are approved in principle and requisition will be sent to the School & Mass Education Department for sanction and release of the matching grant to Mo School Abhiyan Parichalana Sangathan. In the meantime MSAPS has to ensure that the districts submit necessary clarification and alteration on the unclear project proposals at the earliest as at Annexure II.

6. The MSAPS officials informed the Executive Council on the receipt of the revised proposal and budget from IDCOL Software Limited (ISL) for development, maintenance and support to its proposed web portal for Mo School Abhiyan Parichalana Sangathan along with providing technical human resources to manage an Operation Support Unit which will undertake programme management and web based monitoring of school based project. The total estimated cost comes to Rs 1,48,05,346/- (inclusive of GST @18% and ISL Consultancy @10%). While approving the proposal in principle, the Executive Council decided that a joint meeting involving OCAC, IT department, NIC and IIIT, Bhubaneswar is to be convened for technical and financial review of the proposal re-submitted by ISL.
7. Mo School Officials informed that one Mr Sibacharan Mishra, retired Section Officer has been identified for engagement on re-employment basis as Section Officer as per the 3rd Executive Committee resolution. Principal Secretary & Chairperson, EC agreed to engage staff for the office of MSAPS through outsourced agencies with a consolidated remuneration and not on re-employment basis. It is also decided, MSAPS can also explore the options of hiring an accountant with relevant qualification and up to date skills and engage him/ her through outsourced agencies selected by OPEPA.
